Hey!  
I know him!

abcde

## What we're doing:

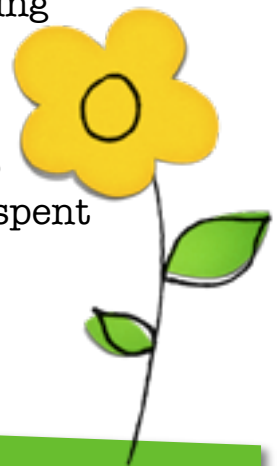

- Replacing twenty 12-year-old iMacs with new iMacs
- Updating software to modern standards and starting a new media curriculum.
- Giving Beechwood students access to the same opportunities that our kids get.

## Why this is good:

**- Howard and Melissa will match their friends' donations!**

- Howard is personally specifying the new computer lab and overseeing the project.
- You get confidence that 100% of your donation will be well-spent on this great cause.
