Valued Students

Josue Flores & Rubi Sandoval
Leading by Example

Josue is very helpful in class. He has a good sense of how we should always seek out ways to help each other by cleaning up, offering assistance, or just volunteering his time to make the school and classroom a better environment. Rubi is a hardworking student who knows how to make an impression on the teachers. She is neat, organized, responsible, and has a positive attitude that just won't quit. These two students really love their school and are always showing everyone "The Beechwood Way."
