Learning Life Skills

Second graders are practicing great life skills every day! They set goals to focus work on flexibility and respect. They read with stamina, write about their passions, and use a variety of problem solving strategies in math. But most importantly, they are happy and love taking an active role in our classroom community! Happy Winter Solstice from all of us!

Thank You!

Beechwood would like to issue a huge thank you to all of the 5th grade parents who helped during the pizza fundraiser on November 18th. It was a huge success, and it's encouraging to see that even our families work as a team! The 5th graders will greatly enjoy their trip to Pigeon Point next month, and the parents' hard work helped to make it happen!
