All Classes Are Free!

Valued Students

2nd Grade

Second graders have been studying the Baylands and its marine plant and animal life! After two wonderful field trips to Cooley Landing on the bay and to the Marine Science Institute, students have been writing passion project research facts on what they learned about the bay. They’ve also been getting really serious about learning new math problem solving strategies and are working hard on addition, subtraction and even some beginning multiplication! Second graders also are so super creative... coming up with really funny book titles that reflect our classroom experiences. Come in and see all our second grade brainstorms!

Daylight Saving

Time Starts!

Sunday, March 12th.
Don’t forget to spring your clocks one hour forward!
