### High School Prep News

Congratulations to the 8th graders for completing the many steps to prepare for their high school transition! Their accomplishments include completing challenging applications, attending high school open houses, shadowing, attending high school interviews, completing over 20 hours of HSP classes, listening attentively to many presentations from admissions directors, and completing admissions tests. 8th grade students have demonstrated a strong work ethic laced with confidence and enthusiasm. Most importantly, they have been supportive of one another throughout the process. For questions about HSP, please contact Mrs. Kathy Connolly.

### 6th Grade

The 6th grade class has been putting in a lot of extra time serving in the mornings. Besides all the academic challenges, they have been helping Mr. P with the wrestling mats and helping set up chairs in the social center for different activities. Although this is not part of their responsibilities, they are still willing to help serve others. They are a great example of kids choosing to be selfless and think of others. So I want to say thank you for all your hard work and encourage you to continue to have a heart of kindness and a willingness to give to others. Thanks!  
Mr. Pantoja
