Our Valued Students

2nd Grade
The second graders are off to a fantastic start! They are working on place value, comparing numbers and using math journals to make up their own math equations. In reading, they are practicing lots of strategies to make sure their reading makes sense and sounds right, and they are making connections to their own experiences. In writing workshop, 2nd graders are busy making maps to organize their thinking for their upcoming Passions Projects, and they are working really hard on creating a fun, happy and respectful classroom community! They are also becoming super creative artists!!!

Attention 8th Grade Parents!
2017 Peninsula Independent High School Information Fair
Sunday, October 1st, 1-4pm
Cañada College Campus: 4200 Farm Hill Blvd.
Redwood City, CA 94061
