## Our Valued Students

### Jamiese Price, Kory Verduzco & Jazzy Madrigal

**Perseverance: "When the Going Gets Tough, The Tough Get Going"**

I would like to recognize the efforts of three students who are pushing themselves to improve. When faced with the academic rigor of the algebra program, Miese, Kory and Jazzy have requested additional time with instructors, stayed in during recess, and worked with family to broaden their comprehension of the math material. Though everything is not perfect, I truly celebrate the model of hard work and focus that they have displayed as young adults assuming responsibility for their learning. I am a very proud teacher.

Great job! - Mrs. Taylor
