Organizations take the responsibility for verifying each child's eligibility to receive Toys for Tots toys. The family must provide proof for each of the three sections above; copies are not needed by the San Bruno T4T Campaign. Once all forms are completed contact San Bruno T4T (t4tsanbruno@gmail.com) or 650-422-4171, to turn in the forms. Once the forms are turned in we will arrange a date for you to pick up your organizations toys. One completed form equals gifts for one family. Toys must be picked up at the warehouse location on the date arranged with T4T staff. If the organization fails to pick up the toys at the prescribed day and time, those toys will be added back to the inventory and redistributed to other groups.
