Our Valued Students

2nd Grade

Even though it is very cold outside, it is nice and warm inside our Second Grade Classroom, with all students really practicing kindness and friendship this New Year! Everyone is sharing and helping one another, and practicing being thorough in their work by paying attention to details in reading and writing and math. Students are practicing being thorough in their relationships by making sure they are good communicators and problem solving through misunderstandings. Halfway through second grade, these students are SUPER LEARNERS!
