

# Java Coding Class

La Clase de Codificación

**THURSDAYS (3:20-4:05)**

**GRADES 5-8**

Learn Java Programming by Making Games  
(Aprende a Programar con Java y Crea Juegos)

Fun, Educational, Inspirational

Do you like to play computer games? Are you curious what makes your hero move in a video game? Are you creative?

Let us demystify computer programming and coding for you. Imagine that you're the mastermind behind those fun and exciting games! You can do it!

**STEM Outreach  
Foundation**

**STEM is Opportunity**

Games = Fun!  
Coding = Cool!

The  
Possibilities  
Are Endless!

No experience  
necessary!
