

This week our school began its participation in The Leukemia & Lymphoma Society's (LLS) Pennies for Patients. The theme of the Pennies for Patients campaign is the Hero Squad, and how every patient fighting a blood cancer needs a squad of people in their lives to help support them. By participating in Pennies for Patients, we all too become the heroes a patient needs and are part of the Hero Squad.

- **Donate spare change, cash or checks (made out to "LLS") in your teacher's classroom bag.** Donations in school can result in earning special, glow in the dark hero gear! Bring in donations, along with the coupon(s) on the parent letter to help

JULIAN

Leukemia Survivor

Julian lives in Salinas, CA and was diagnosed in October 2017. He endured three rounds of chemotherapy before doctors could no longer detect any Leukemia cells. Julian loves to laugh, play Fortnite and run around with his friends. His journey isn't complete. But, he reminds us that every day is a gift!
