Message from Ms. Jiménez

Dear Beechwood families, the office might be closed for the time being but messages are still being checked Monday through Friday during regular work hours, as well as any emails directed to me.

Please leave a message if you need to contact any teacher or office administrator, if you have any questions, or if you need help finding any resources in this time of need. I will try to help find any resources available to the community in regards to food, financial assistance or any other resources that might be available. My email to contact me is ijimenez@beechwoodschool.org. I am also available through Remind.

I hope all of you are staying healthy and safe.

Message From Ms. Kim Prescott

Dear Beechwood School Community,
Thank you so much for allowing me to be a part of your family these past four years. I've loved every minute of it. I am moving to be near my family in Portland, Oregon, but I'll never forget your kindness and the love you've shown me. Beechwood staff, students and families are so wonderful, and I'm very grateful to have been a part of your great school.

Wishing you health and happiness!

Very sincerely, Ms. Kim
