Thank you to all who participated in last week's Picture Day. We will be having a make-up date for people who were not able to come. The date will be announced next week.

For families that were able to come, an email will be sent in the next 7 to 10 days with a link to view and order your pictures. If you would like to retake the picture after viewing the one your child took, you will have the option to come to the make-up date.
