Service Learning Continues!

Despite being remote, Beechwood School is still committed to serving our community! In years past, each grade has worked on their own project. However, this year, Beechwood families can expect multiple grades to participate in the same project. Here are some upcoming events that your child(ren) may participate in.

1. Writing Thanksgiving Cards to our neighbors.  at the Senior Center
2. Giving to a Toy Drive to benefit the less fortunate 
3. Partnership with Tru School
4. Creating pet toys from recyclables for shelter animals 

Even in these hard times, there are ways we can support each other!

For any questions regarding any of these projects, please contact Ms. Kirkendoll at kkirkendoll@beechwoodschool.org.
