We are looking for parents who might be interested in helping us with 2 big projects:

- 2) Trimming of cactus in secret garden

If interested in doing any of these jobs, please contact Ms. Jiménez at jjimenez@beechwoodschool.org or calling the school at (650) 327-5052.

Attention 8th Grade Parents!!

Girls Volleyball

Hello Parents,

If you are the parent of a girl that is in either sixth, seventh, or eighth grade, the Menlo Park Recreation department is offering girls volleyball once again. Some girls have shown an interest in playing but not enough to form a team, I need your help. Because we are a small school, our Beechwood girls will have to combine girls from different grades to form a team. I believe it will be good for them in several ways and I am hoping that with your help we can form a team and join the league. The deadline to join the league is September 13th, please encourage your girls to join.

Thank You,
Coach Hughes
