and Boys and girls in 4th-5th Grade
See flier attached.

Welcome
Back to
School!

Message From Mrs. Taylor

Dear Beechwood Families,

Thank you for your willingness to work in partnership with us in this new learning environment. It has been thrilling to have families return to school, and to observe the enthusiasm our students are showing each day. We are slowly developing a rhythm on campus with children learning and playing in the welcoming environments created by our staff.

Martin Luther King is quoted as saying, "Intelligence plus character- that is the goal of true education." At Beechwood we want to maintain high quality education for your children, while encouraging positive social and emotional growth as well. The children's laughter and their focus in the classroom has been uplifting to all of our staff. I have personally enjoyed greeting each student at the gate every morning.

With an eye on the next two weeks, we look forward to continued changes and updated events. Expect additional information on the following:

KP-8th Parent Registration with Gradelink
5th-8th Parent Registration with Google Classroom
Back To School Night Format & Scheduling
Covid Testing start date and schedule
Picture Day information

Thank you for your continued support and communication!

Priscilla Taylor
Principal

Parent Reminders

Dismissal Reminders:

KP-5 dismissal

- Monday - Friday Pick-up 3pm - 3:15 pm

6th-8th dismissal

- Tuesday/Thursday 3:30pm (Students are excused from class)
- Monday/Wednesday/Friday 3:15 pm (Students are excused from class)

Pick-up & Drop-off Reminders:

- PLEASE - No drop-off in the entrance area of the parking lot and/or near the *Del Norte/Terminal* intersection
- Health Screenings **must** be completed before arriving at school as a courtesy to all families who are dropping-off children. Parents should not park in front of the gate and completing their screenings.

Thank you for your patience in the morning and afternoon

Snack/Lunch/Water Bottles

- Please remember to send your child with a labeled lunch bag (snack included) each day.
- WATER BOTTLES should be labeled and come from home daily. Students can refill from the faucets. We need help with this area as we have a lot of plastic water bottles being used and left around campus. Please support our efforts to safeguard our environment.

Travel

- As a reminder, we need advance notification on extended absences. It is very difficult for teachers to generate material for students without advanced notification.
- If traveling outside of a 250-mile radius, we request that a negative COVID test be provided prior to returning to our school community. More detailed information to be posted/provided next week.
