Important Message from Mrs. Taylor

Weather Changing

As colder weather descends, please remember to send your child with appropriate clothing.

- On moderate to heavy rain days, students will eat at picnic tables (under awning and inside). Students will also play inside.
- With sprinkles, students will still go outside for play.

Make sure your child is dressed in layers as classroom doors and windows will be open for much of the lunch and recess period. Rain coats and winter coats are **strongly** recommended.

Parent volunteers are welcome to help support rainy day supervision, pending verified completed vaccination status and health screening. See previous newsletters for more information and/or contact the main office.

Earthcapades Video Contest

Travel and Halloween/Fall Activities Guidance

Although the [CDC](#) and [CDPH](#) have not recently updated their travel recommendation, everyone should follow the same common-sense steps: get vaccinated, avoid travel when sick, wear a mask when using public transportation or with others outside the household, and avoid large gatherings. This simple guidance is included in our [Recommendations for COVID-Safe Fall Activities](#). As another safety measure, you might consider increasing your testing cadence during and after peak holiday times.

COVID- Safe Schools and Vaccinations for Youth – A Webinar for School staff and Parents

Join San Mateo Health and the San Mateo County Office of Education for an informative webinar addressing the status of COVID-19 in our schools, measures in place to protect student and staff, and an update on vaccinations for youth ages 5-11. The webinar will be held on Wednesday, October 27th from 6:30-7:45 pm. Details and registration for the free webinar can be [found here](#). The webinar will be in English with Spanish interpretation.

Fright Night 2021
