Note: The password is case sensitive.

When you log in you should verify that your email is up-to-date in Gradelink. You can do this by clicking the "Alerts" button and then clicking the "Edit Emails" button. Please update your registration information by clicking on the EnrollMe tab. It is recommended that you change your password periodically.

Gradelink is supported by current versions of Internet Explorer, Safari, Firefox and Google Chrome. If you have trouble logging into Gradelink due to password issues or your account being locked please contact your school office. Your school administers all student accounts and can reset your password or unlock your account if needed.

Recommendations:
1. Download the free app
2. Use the Family Login information to gain access to your child's school information online including:
    1. Financial information
    2. Attendance records
    3. Completed reported cards
    4. Parent Involvement hours
    5. Current grades (6th-8th)

Parent involvement hours (1 per family) will be awarded to <u>every</u> family that logs into their account. Families needing additional assistance should contact the main office to set-up a time for support. Mrs. Taylor and Ms. Jimenez will help any and all families gain access!
