## Winter Holiday Break & Travel

As the holidays approach, we want to ask all families to please provide **early** notification of travel that will impact a student's school attendance. It is helpful for teachers to know ahead of time in the event you are requesting work and/or the student will need to make-up work. **Please note:** Instructors have a **limited ability** to provide learning material if notice of the absence is too close to the departure date.

For families traveling immediately before or after vacation, we want to remind you of our request for advance notification. Please contact the main office (650 327-5052) or Ms. Jiménez [jjimenez@beechwoodschool.org](mailto:jjimenez@beechwoodschool.org) with dates of your absence. You should also contact your child's instructor(s), however the first contact should go to the main office.

**Testing requirements for January 2022 will be shared on Monday. This will include guidelines for returning from international travel.**

## BIG Thank You!

*To all the parents and volunteers for all the donations and hard work, making our Thanksgiving Feast a success! Also, a special Thanks to Ms. Nickings for making it all possible.*

## Beechwood's Annual KP-5<sup>TH</sup> Winter Concert

The Winter Concert will stream on Thursday, Dec. 16<sup>th</sup> at 6pm. Class performances will be recorded during the school day on Tuesday, Dec. 14<sup>th</sup>. After the recording, students will be permitted to change into pajamas!!

Students will be performing in **masks** unless they are a featured solo performer.

The evening of our concert, we invite Beechwood friends and family to join by turning in to our watch party on YouTube. Links will be shared closer to the event and special surprises are in store! We are excited to bring back this long-standing school tradition and look forward to celebrating together virtually.

Contact Ms. Harrington with any questions or concerns at [aharrington@beechwoodschool.org](mailto:aharrington@beechwoodschool.org).
